

From the M65 at Junction 6 - Blackburn East

Take the A6119 Whitebirk Drive (dual carriageway) exit.

Turn left at the first set of lights into Blakewater Road (after approximately 1/4 mile).

Follow this road round to the right past B&Q and take the next left into Green Bank Road (approximately 1/4 mile after B&Q).

Carry on to the T Junction (another 1/4 mile) and turn right after "Lethbridges" scrap metal yard.

At the next T Junction turn right (it looks like straight on) into Appleby Street.

Turn into the car park on your left by a large mill (after 1/4 mile, just round a bend with Fort Street railway bridge on the right).

We are the first of the cottages on the right as you enter the car park.
